**EXPLANATION.**—In the Left-hand Table are the years of the Century, and above each is the Dominical Letter corresponding with that Year. Then, opposite to the Month, at the foot of the Right-hand Table, will be found a corresponding Letter, over which are placed the Days of the Month and Week for that Month (distinguishing the Sundays by a different type). Each Blank Space in the Left-hand Table shows the year following to be Leap Year; and as every Leap Year has two Dominical Letters, the Letter above the Blank Space must be used for January and February in every Leap Year, and for the other months, use the Letters belonging to the respective Years.

By transposing the Dominical Letters, this Calendar would answer for any Century.

**N.B.**—These drafts or orders on bankers to be exempted, must be issued within fifteen miles of the place where the banker carries on his business—the place of issuing must be truly specified in them, and they must be dated on or before the day on which they are issued, and not direct the payment to be made by a bill or note. The place of issue is where the drawer parts with the possession of the draft, such as the place where posted. If an unstamped draft is issued within fifteen miles of the banker, as above, it may circulate any distance from the place of issue without affecting its validity. The penny draft stamp will validate drafts drawn beyond fifteen miles of the banker's place of business.

**Note**.—The duty on drafts or orders may be impressed on the paper, or an adhesive stamp may be affixed. Where an adhesive stamp is used, the maker of the draft is required to cancel the stamp by writing on it his name or initials. Penalty for omission,—£10. Penalty for removing adhesive stamps, or using them a second time, or doing any act to defraud of duty, £20. (16 and 17 Vict. c. 59, s. 3, 4, and 5.)

And where the same (exclusive as aforesaid) amounts to the sum of 5s. or upwards,—5s.

And where in the latter case any such deed or instrument, together with any schedule, receipt, or other matter put or indorsed thereon or annexed thereto, contains 2160 words or upwards, for every entire quantity of 1080 words contained therein above the first 1080 words, the progressive duty of 2s. 6d.

In such latter case the duplicate or counterpart (excepting counterparts of leases not signed by the lessor, 16 and 17 Vict. c. 69), is not available unless stamped with a particular stamp for denoting the payment of the full stamp duty on the original deed or instrument, which shall be impressed upon such, on the same being produced, together with the original deed or instrument, and on the whole being duly executed and stamped in all other respects.

Duplicates to have denoting stamp impressed, are received by the Solicitor of Inland Revenue, Edinburgh. See afterwards.

it is not chargeable with the *ad valorem* duty; and the deeds not chargeable with the *ad valorem* duty shall be charged with the duty to which they are liable under any more general description in the stamp schedules; and on the whole being produced, duly executed and stamped, the latter shall also be stamped with a particular stamp for denoting the payment of the said *ad valorem* duty.

The inventory-duty is paid on the whole personal property in Scotland, and probate and administration duty on the whole personal property situated in England and Ireland, without deduction of debts; but the Act 5 and 6 Vict. c. 79, § 23, provides for a return being given on proof of the constitution and payment of the debts. This repayment must be claimed within three years; but the time will be prolonged on application to the Board of Inland Revenue. If there be any omission in the in-

ventory inferring payment of further duty, an additional inventory of such is required to be exhibited, by 48 Geo. III, c. 149, § 38; and § 40 provides that the same shall also specify the amount or value of the estate and effects of the same person comprised in the former inventory. By 16 and 17 Vict. c. 59, § 8, such additional inventory shall be chargeable only with such amount of stamp duty as, together with the stamp duty charged upon the former duly stamped inventory of the estate and effects of the same deceased person, shall make up the full amount of stamp duty, in respect of the total amount of all the estate and effects of the deceased specified in the said additional and any such former inventory. If the estate be over-estimated, or something improperly included, in the inventory, an inventory on a stamp corresponding to the value must be exhibited, and the original stamp will be allowed on affidavit as a spoiled stamp.

2. Any succession of less value than £20 in the whole (ib.).
3. Legacies and personal property charged with legacy duty, in respect of the same acquisition (ib.).

**Note.**—The collection of the succession duty will form a branch of the legacy-duty business of the Inland Revenue. Forms of the accounts may be obtained at the Legacy Duty Office, Edinburgh, and at the offices of the distributors of stamps in the country.

## DISCOUNT ON THE PURCHASE OF STAMPS.

Parties who may purchase stamps (except receipt stamps, labels for medicines, newspapers, and postage stamps) at London, Edinburgh, or Dublin, under the value of £10 each, but to the value of £30 or upwards in the whole, are allowed discount at the rate of 30s. per cent.—12 and 13 Vict. c. 80: and any person who purchases at the stamp offices of London, Edin-

burgh, or Dublin, stamps for *receipts* to the amount of £5 or upwards, or of any distributor or sub-distributor not within ten miles from said respective offices, to the amount of £1 or upwards, shall receive an allowance at the rate of £7, 10s. per cent.—no allowance for a fraction of a pound.—13 and 14 Vict. c. 97, § 18.

## REGULATIONS AS TO EXCHANGING SPOILED STAMPS.

The solicitor's office, No. 5 in the Inland Revenue Office, is open for the allowance of spoiled stamps every Tuesday and Thursday, from twelve noon to 2 P.M. The distributors of stamps at the following places also receive spoiled stamps for allowance : Aberdeen, Ayr, Banff, Cupar-Fife, Dumfries, Dundee, Elgin, Glasgow, Greenock, Inverness, and Perth.

A supply of forms of affidavits is kept by the solicitor and the above distributors, and claimants may attend at the solicitor's office, and have the affidavits filled up and taken ; or they may get copies of the forms, and take the oath before a Justice of the Peace, and afterwards lodge the affidavits and the stamps with any of the above officers. If the claim be admitted, a ticket is issued, stating that application is to be made for the new stamps after Thursday sevenight, and within six weeks from the date of the ticket. If not made within that time the claim will be forfeited.

The stamps, if belonging to parties resident in Edinburgh, or within ten miles thereof, must be presented for allowance within six months after being signed in the case of executed instruments, and six months after being spoiled in the case of unexecuted instruments. If beyond that distance, six months in the former, and twelve months in the latter case.

Bills or notes delivered to payees, or negotiated or issued in any way, and bills accepted or tendered for acceptance, cannot be exchanged, unless a new bill be produced, in all respects the same, excepting the correction of the error.

As to the exchange of sea policies of insurance, see 54 Geo. III. cap. 133.

Unsigned instruments are allowed, if inadvertently spoiled. Signed, if void in law from the beginning ; from error or mistake, unfit for the purpose originally intended ; from death or refusal to sign, of any person whose signature is necessary ; from the want of the signature of some material and necessary party ; from refusal to act under, or from non-acceptance—they shall be unfit for or fail of the purpose intended ; or if the transaction be carried through by another instrument duly stamped.—See 53 Geo. III. cap. 108. In the case of transfers of stock signed by the seller alone, and other instruments if by one party, new deeds require to be produced to the proper officer of stamps, who, as to transfers, is instructed to certify in what particulars they differ from those spoiled.

Stamps of a different description may be obtained for any stamp spoiled if it be of the value of £6 or upwards. Application for this purpose to the commissioners of Inland Revenue should be lodged with the affidavit. The commissioners, by 3d and 4th Will. IV. cap. 97, sec. 19, may, if in their discretion they think fit, refund, in money, the amount of spoiled stamps. They are also authorized to repay the amount of stamps for which the possessor has no immediate use, if applied for within three months after being purchased. In both cases is deducted the per centage allowed by law on the purchase of stamps.

## STAMPING DEEDS AFTER BEING SIGNED.

*Beyond Twelve Months.*—The duty, or deficiency of duty, shall be due and payable to her Majesty, and also the penalty of £10. The deed will only be stamped on payment of the whole or (as the case may be) the deficiency of the stamp duty remaining payable on it, over and above such duty, a penalty of £10 ; and if the whole amount of said duty or deficiency shall exceed £10, then, in addition to said duty and penalty, there shall be paid, by way of additional penalty, interest on the duty or deficiency at the rate of 5 per cent. from the date or first signing of the deed ; but such interest shall not exceed the amount of the said duty or deficiency of duty.

*Within Twelve Months.*—If the deed shall be brought to the Commissioners of Inland Revenue within twelve months after the first signing or executing, in order to be stamped, it may be stamped without payment of the penalty, or on payment only of a portion thereof, provided it shall be proved to the satisfaction of the Commissioners that the deed was not duly stamped previously to being signed, by reason of accident, mistake, inadvertency, or urgent necessity, and without any wilful design to evade or delay the payment of duty.—13 and 14 Vict. c. 97, sect. 12.

*A broad.*—If the deed shall be executed by any party abroad, it may be stamped without any penalty, if brought to be so within two calendar months from the time of being received in the kingdom, upon proof of the facts to the satisfaction of the Commissioners.—13 and 14 Vict. c. 97, § 13.

*N.B.*—Instruments are received at the Solicitor's Office, Inland Revenue, Waterloo Place, Edinburgh, and transmitted to London to be stamped, if within sixty days of the first date, on payment of the duty ; if beyond that date, on payment of the duty and penalty. Parties, on applying, will be furnished with a Schedule, and after being filled up, it is to be presented, along with the instrument, at the Solicitor's Office, No. 5, Inland Revenue, between 10 and 12 o'clock, on Mondays and Wednesdays only. The amount of duty wished to be impressed on the instrument is to be inserted by the applicant before being presented at the Solicitor's Office ; and afterwards he pays it, and the penalty, if any, to the Cashier, No. 3, Lobby. The instrument will be returned through the Warehouse-keeper, No. 2, Lobby, and it must be called for after eight days, and within twenty-one days from the date of its being lodged.

## DOUBTS AS TO THE SUFFICIENCY OF STAMPS MAY BE REMOVED.

The opinion of the Commissioners of Inland Revenue as to the duty to which a deed, whether previously stamped or otherwise, is chargeable, may be obtained on the deed being presented at their office (London) and a fee of 10s. paid. The duty or insufficient duty which the Commissioners may assess, and the penalty, if any, being paid, they shall stamp the deed with the duty so paid, and thereupon, and also in the case of the deed being previously sufficiently stamped, shall also impress the deed with a particular stamp to be provided for the purpose. The deed shall then be received in evidence notwithstanding any objection to it as insufficiently stamped. The provision does not apply to bonds or mortgages for unlimited amounts, nor instruments after being signed, prohibited from being stamped. The opinion of the Commissioners may be appealed against to the Court of Exchequer at Westminster, on the stamp duties assessed being paid, and 40s. for costs being deposited. (13 and 14 Vict. c. 97, § 14 and 15). The Commissioners may also adjudge on deeds not liable to any stamp duty; and if any duty is assessed the party may appeal. (16 and 17 Vict. c. 59, § 13).

N.B.—Instruments are received for adjudication at the Solicitor's Office, Inland Revenue, Edinburgh, on the same conditions as to duty and penalty as instruments to be stamped merely (*see above*). The mode of proceeding is as follows:—The sum of *ten shillings* for the adjudication stamp is first to be paid to the Cashier, No. 3, Lobby. Then the schedule (the duty to be impressed of course not being inserted in the schedule), the instrument after execution, and a full copy (written on foolscap paper) of it, are to be left at the Solicitor's Office, No. 5, on Mondays and Wednesdays, between 10 and 12 o'clock *only*. Between 10 and 12 o'clock on the Thursday following, a party, who can give explanation, must call on the chief clerk of the Solicitor's Department, No. 6; and he should be prepared to pay the proper duty, and penalty, if any, to the Cashier, No. 3, Lobby.

It is desired that there may be appended to the copy of the instrument, a table giving the substance (particularly dates and sums), of its clauses and provisions, and a reference to the page of the copy on which each commences.

## DUPLICATES OR COUNTERPARTS.

Duplicates or counterparts of instruments requiring to be impressed with the denoting stamp to render them valid, may be lodged at the Solicitor's Office, No. 5, Inland Revenue, Edinburgh, between 10 and 12 o'clock on Mondays and Wednesdays only. A transmission of them is made once a week to the Head Office. The principal

instrument, as well as the duplicate, must be lodged, and both must appear to be properly stamped, otherwise they will not be transmitted.

*Mem.*—The revenue takes no risk of loss or injury connected with the custody or carriage of the instruments received and transmitted to be stamped.

# GENERAL POST-OFFICE, EDINBURGH.

POSTMASTER-GENERAL FOR THE UNITED KINGDOM,  
THE RIGHT HONOURABLE VISCOUNT CANNING.  
SECRETARY—FRANCIS ABBOTT, Esq.

## INLAND POSTAGE AND GENERAL REGULATIONS.

The RATES OF POSTAGE ON LETTERS *prepaid* are :—

Under half an ounce,	1d.
Above half and under an ounce,	2d.
Above an ounce and under two ounces,	4d.

And so on, two rates being added for each additional ounce.

On Letters *unpaid* double the above rates is charged. *Letters exceeding four ounces in weight are not forwarded until the postage be paid.*

Addressess to Her Majesty, and Petitions to Parliament under thirty-two ounces, open at the ends, *pass free*.—Books and Parliamentary Proceedings at reduced rates, explained under their respective heads,—the only exceptions to the above rates.

### Adhesive Stamps and Envelopes.

Prepayment of Letters *in money* is now prohibited.

The Stamps should be placed on the front of the Letter, at the right hand corner; and care should be taken that they firmly adhere. The better method is to wet the Letter, not the Stamp.

Any Postmaster, Sub-postmaster, or Letter-Receiver, will supply the Public with Postage Stamps or Envelopes at the following Prices :—

The Penny Label Stamps at 1d. each.	Tenpenny ditto . . . . .	10d.
The Twopenny ditto . . . . .	Shilling ditto . . . . .	1s.
Sixpenny ditto . . . . .	Envelopes, 24 for 2s. 3d., or 2 for 2½.	

### Redirected Letters.

Redirected Letters are subject to additional rates of Postage; but whether originally prepaid or not, they are only liable to be charged at the prepaid rate for the additional postage.

### Overcharges, Delays, &c.

In cases of complaint, whether arising from overcharges, delays, or other irregularities, the covers (and contents in all practical cases) should be forwarded to the Secretary, General Post-Office, for investigation, as affording the only efficient means of answering such complaints satisfactorily. Overcharges are returned between the hours of ten and four, at the Window Office.

### Letters not to be Delivered Back.

To prevent the possibility of Letters being surreptitiously obtained from the offices where put in, office-keepers are strictly forbid returning, to any person whomsoever, Letters that may be applied for, under whatever circumstances their recovery may be urged.

### Illegal Conveyance of Letters.

By the 1st Victoria, cap. 36, sec. 2, any person illegally conveying Letters, incurs a penalty of £5 for every offence, and £100 for every week the practice is continued. The Sender also incurs a penalty of £5 for every offence, with full Costs of Suit.

### Articles which may Not be Sent by Post.

Letters or Packets cannot be forwarded by the Post-Office containing any of the following enclosures, viz.:—any Glass, Razor, Scissors, Knife, Fork, or other sharp or pointed instrument; any Leeches, Game, Fish, Flesh, Fruit, Vegetable, or other perishable substance; any Bladder, or other vessel containing liquid; or any article, matter, or thing whatsoever, which might, by pressure or otherwise, be rendered injurious to the officers of the Post-Office, or to the contents of the Mail-bags; and the Act 3 and 4 Victoria, cap. 96, expressly declares that no Letter shall be sent

by Post containing any EXPLOSIVE OR OTHER DANGEROUS MATERIAL OR SUBSTANCE. No Letter or Packet exceeding in breadth, or length, or depth, twenty-four inches measurement, can be forwarded by Post.

## Registered Letters.

The system of Registration provides a secure mode of transmitting Bank Notes, Bank Post Bills, Drafts, &c. &c. The arrangements have been made with the view of insuring the punctual delivery of LETTERS OF VALUE. On their delivery, the parties to whom they have been addressed will be required to acknowledge in writing their receipt. LETTERS OFFERED FOR REGISTRATION SHOULD HAVE THE FULL AMOUNT OF POSTAGE AND REGISTRATION FEE OF SIXPENCE AFFIXED THEREON IN STAMPS.

Registered Letters will be taken at the General Post-Office, at the Receiving-Houses, and by all Postmasters throughout the United Kingdom, until within half an hour of the closing of the Box for the particular Mail or Bag by which they are to be despatched.

An acknowledgment by receipt will be given to the parties registering Letters, and each receipt must bear the Office stamp.

The practice of committing Letters containing valuable property to the Post-Office unregistered should in all cases be avoided. It is expected that persons having occasion to transmit such Letters will avail themselves of the proper means of security, and in no case, by committing property unregistered to the Letter-boxes, RISK ITS LOSS. If, however, notes are sent, parties are recommended to cut them in halves, and the second half should not be despatched until the receipt of the first has been acknowledged. The numbers, dates, and amount should also be carefully taken.

## Books, Maps, Prints, &c., under Certain Regulations, Forwarded at a Reduced Rate.

A Book-Packet may contain any number of separate Books, Maps, or Prints, and any quantity of Paper, Vellum, or Parchment (to the exclusion of Letters, whether sealed or open); and the Books, Maps, Paper, &c., may be either printed, written, or plain, or any mixture of the three.

Further, all legitimate Binding, Mounting, or covering of the same, or of a portion thereof, will be allowed, whether such Binding, &c., be loose or attached; as also Rollers, in the case of Prints; Markers (whether of Paper or otherwise), in the case of Books—and, in short, whatever is necessary for the safe transmission of literary or artistic matter, or usually appertains thereto.

The following are the remaining Regulations respecting the Inland Book Post—all previous notices regarding it being cancelled.

## Rates of Book Postage.

For each Packet not exceeding One Pound in weight . . . . .	0s. 6d.
"      exceeding One Pound and not exceeding Two Pounds . . . . .	1s. 0d.
"      exceeding Two Pounds and not exceeding Three Pounds . . . . .	1s. 6d.

And so on, 6d. being charged for every complete Pound, and for any additional fraction of a Pound.

Every Packet must be sent either without a Cover, or in a Cover open at the ends or sides.

It must not contain any Letter, opened or sealed, nor any sealed enclosure whatever.

No Packet must exceed two feet in length.

The Book Post, to which the foregoing rules relate, is confined to the United Kingdom, and does not affect the privileges allowed to Votes and Proceedings in Parliament, or to Newspapers.

Postmasters are instructed to open and examine Book-Packets, to see that the conditions on which they are allowed are all complied with; and if he find any Letter, whether sealed or open, or sealed enclosure of any kind, such Letter or enclosure is to be taken out and dealt with as an Unpaid Letter—the Address on the Packet being written thereon if there be no other Address. And if in any other respect either of the above conditions be violated, or if for any reason the Postmaster does not think that the Packet comes within the privilege of the Book Post, he must forward it to the principal Office, there to be dealt with.

To prevent obstacles to the regular transmission of Letters, any Officer of the Post-Office may, when necessary, delay forwarding a Book-Packet for a period not exceeding twenty-four hours beyond the time at which it would otherwise be forwarded.

## Newspapers, and Supplements to Newspapers.

It is not compulsory to send Newspapers or their Supplements by Post; but those that are intended to be so transmitted must be sent in covers open at the sides; and no words of communication may be printed or written on such papers (except under the conditions hereafter explained) after the same shall have been published, when they are entitled to pass free.

Parties will be allowed, however, to put any Writing or Marks on Newspapers passing by Post,

in the United Kingdom, provided that a Postage of a Penny be prepaid, BY MEANS OF A STAMP conspicuously affixed outside the Cover or folded Newspaper, it being understood that in those cases where the Newspaper may be liable to Postage, irrespective of such Writings or Marks (as when it is both posted and delivered in the same town), the Penny Stamp shall cover both the Writing and Postage. But this privilege is to be confined to Writing or Marks *on the Newspaper itself*, and not to extend to the *Cover*, which must contain nothing but the address.

Any Writing or Marks on the *Cover*, besides the address, or on the Newspaper (if not prepaid as above) will subject it to the same rate as that of an unpaid Letter, according to weight.

Newspapers pass free by the Edinburgh Local Posts, except in those cases where they shall be posted and delivered within the limits of the General Post delivery (which now includes Leith), when the Postage is one penny on each Newspaper.

PRICES CURRENT and COMMERCIAL LISTS published in the United Kingdom, if duly stamped, and under the weight of two ounces, will be treated as Newspapers, and enjoy the Newspaper privileges, the sanction of the Postmaster-General having been previously obtained.

\* \* As the mere affixing a Newspaper Stamp on any new periodical publication will not entitle it, as a matter of course, to pass free by the Post, those who may be about to publish, for the first time, any such paper, should submit a copy to the Postmaster-General, in order that it may be determined whether the Publication is of a nature that will entitle it to pass free of postage.

In conformity with the Stamp Duties Act, 1853, a Newspaper printed on one sheet of paper, and its measurement, exclusive of margin, not exceeding 2295 inches, is chargeable One Penny Stamp Duty. A Supplement may be published with any stamped Newspaper, free of duty, if printed on one sheet of paper, and together with the Newspaper, within the above measurement. Any other Supplement, chargeable One Half-penny Stamp Duty, provided it does not exceed 1148 inches. And any two Supplements issued with any duly Stamped Newspaper, printed each on one sheet of paper, and containing together a superficies of not more than 2295 inches, are chargeable One Half-penny each Stamp Duty.

In all the cases, the measurement is exclusive of margin.

Newspapers published in the Channel Islands and the Isle of Man, are now excluded from the Newspaper privileges, except such as may be printed in the French language.

## Printed Votes and proceedings of Parliament.

Printed Votes and Proceedings of Parliament, or of the Colonial Legislatures, are charged—

Under four ounces,	.	.	.	1d.
Above four and under eight ounces,	.	.	.	2d.
Above eight and under twelve ounces	.	.	.	3d., and so on.

The Postmaster-General is authorised (if he shall see fit) to delay the transmission of Printed Votes and Proceedings in Parliament for any space not exceeding Twenty-four hours from the time at which the same would otherwise have been forwarded.

## Stamped Publications.

Stamped Publications, not being Newspapers, but having the authority of the Postmaster-General, to pass as such by Post, are restricted to the weight of 2 oz.

## Parliamentary Notices.

These Notices may be sent through the Post, provided they are posted on or before the 12th of December, at the Chief Offices of London, Edinburgh, or Dublin, or at any of the following Offices:—Birmingham, Bristol, Exeter, Lincoln, Liverpool, Leeds, Manchester, Newcastle-on-Tyne, Norwich, Shrewsbury, Aberdeen, Glasgow, Inverness, Athlone, Belfast, and Cork. The words, “Parliamentary Notice” must be legibly *printed* on the face of the Letter; and in order to secure the speedy return of any Notices which may be undelivered, the name and address of the Solicitor issuing such Notices, should also be on it. The postage must be pre-paid, as well as a Registration Fee of 6d. in Stamps. The Notices must be delivered at the Window of the Post-Office along with Duplicate Lists of the Addresses; the Letters being arranged in the same order as on these Lists, and if they correspond with the Addresses, the Clerk in attendance will sign every sheet of each List, and stamp it with the Day-Stamp then in use, returning one of the Lists to the party who delivered the Notices, and forwarding the Duplicate to the Secretary, General Post-Office, London. Parties should arrange previously with the Post-Office as to a suitable time for posting.

Those Parliamentary Notices, which, by the standing orders of either House of Parliament, may be served *later* than the 15th day of December, may be posted after the 12th December, subject, however, to the like regulations in every respect, as required for those to be served on or before the 15th December.

# FOREIGN AND COLONIAL LETTERS & NEWSPAPERS.

## General Regulations.

The pre-payment of Postage is optional to many parts abroad, Foreign as well as Colonial. For information on this point, reference may be made to the List of Foreign Places, commencing at page 378.

Letters for the Colonies and Foreign Countries posted unpaid, although specially addressed to be forwarded by routes which require the Postage to be paid in advance, will not, if there are any means of transmitting them, be opened and returned to the writers for payment of such postage, but will be despatched, if possible, by other routes unpaid.

## Weight of Letters.

Foreign Letters are charged on the same principle as Inland, according to weight, as follows:—

Not exceeding  $\frac{1}{2}$  oz., one Rate.  
Do. do. 1 oz., two rates.  
And two rates for every succeeding oz.

The French and Belgian scale of progression is as follows:—

Under  $\frac{1}{4}$  oz. one Rate.  
Weighing  $\frac{1}{4}$  oz., under  $\frac{1}{2}$  oz., two Rates.  
And one Rate for every succeeding  $\frac{1}{4}$  oz.

In charging the British and Foreign COMBINED rates, it is to be observed, that a letter will be liable to two Foreign rates if it reaches the  $\frac{1}{4}$  oz., whereas two British rates are not chargeable unless the letter exceeds  $\frac{1}{2}$  oz. (the limit for a single British rate); so that a letter, to be subject to a single Foreign rate, as well as British, must be under  $\frac{1}{4}$  oz. The following shews the method of taking the postage on letters for France or Belgium:—

FRANCE.	{	under $\frac{1}{4}$ of an ounce.	{	British, 0s. 5d.	{	reaching $\frac{1}{4}$ of an ounce.	{	British, 0s. 5d.
				Foreign, 0s. 5d.				Foreign, 0s. 10d.
BELGIUM.	{	under $\frac{1}{4}$ of an ounce	{	British, 0s. 4d.	{	reaching $\frac{1}{4}$ of an ounce.	{	British, 0s. 4d.
				Foreign, 0s. 2d.				Foreign, 0s. 8d.

## Ship Letters.

Letters intended to be conveyed by "private ship" must be so addressed. For rates of Postage see Table at page 378, &c.

## Persons Exempt from Ship Letter Postage.

The owners, charterers, and consignees, resident in the United Kingdom, and owners, consignees, and shippers of goods on board vessels inward bound, are entitled to receive their letters free from sea postage (the inland postage only being chargeable) to the extent of 6 oz. collectively, by any one vessel to any such person. In the case of vessels coming from Ceylon, Mauritius, the East Indies, or the Cape of Good Hope, for an owner, charterer, or consignee of such vessel, the letters may collectively be 20 oz. in weight. The owner, charterer, or consignee, must be described as such on the address or superscription; and, in the case of owner, consignees, or shippers of goods, it must also appear by the ship's manifest that they have goods on board the vessel. Such persons are entitled to have their letters which come within the above conditions, before the master of the vessel delivers the other letters in his charge to the Post-Office.

\* \* \* Any person who shall, with intent to evade any duty of postage, falsely superscribe a letter as being the owner, charterer, or consignee of a vessel conveying the same, or as the owner, shipper, or consignee of goods shipped in such vessel, shall, for every offence, forfeit £10.

## Letters not to be Sealed with Wax when sent to Warm Climates.

The practice of sealing letters which pass to and from the East Indies, and other warm climates, with wax, leads to much inconvenience, from the melting of the wax, and the letters adhering to each other. The public, therefore, are recommended to use wafers instead of wax, and to advise their correspondents to do the same.

## Adhesive Stamps.

Stamps may be used to pay Foreign or Colonial Letters OUTWARDS, but care must be taken that, by the addition of such stamps, the letters do not exceed the weight intended to be paid for. In those cases in which the value of the stamps on the letter is less than the amount of postage chargeable, they will, if prepayment is not compulsory, be forwarded charged with the difference. In cases where the prepayment is compulsory, they will be sent to the Dead Letter Office, and opened and returned to the writers for the proper postage. These regulations will be applicable to newspapers in those cases where they are liable to postage.

## Newspapers and Prices Current to the Colonies and Foreign Countries.

Newspapers and Prices Current, duly stamped and authorised, provided the regulations are complied with, and they are posted within seven days of their publication, may be forwarded to the Colonies and to foreign countries, by Post-Office packets or private ships. To the British Colonies they are forwarded free, except in cases where the conveyance is by private ship, as also to many foreign countries, which will be found in the Lists. But to all places to which newspapers are not sent free, the postage on them must be paid in advance. Newspapers and Prices Current, duly stamped, to the Colonies, by PRIVATE SHIP, are charged one penny each. To France, Belgium, Holland, and countries through Holland, by PRIVATE SHIP, one penny each. Chili, Peru, Guatemala, Western Coast of America, Venezuela, St Helena, St Marys', River Gambia, Sierra Leone, Cape Coast Castle, Fernando Po, and Ascension Island, one penny each. All other places not British, by PRIVATE SHIP, twopence each, which must be prepaid.

The undermentioned printed PRICES CURRENT having obtained the sanction of the Lords of the Treasury, pass through the Post-Office to the Colonies and foreign countries at one penny each, provided they contain simply the names and prices of articles. The names and addresses of the parties dealing in such articles must be excluded:—

Annual Supplement to Prices Current.  
British Ships entered inwards and cleared  
outwards from and to places within the limits of the East India Company's charter.  
Commercial Daily List.  
Lloyd's List.  
London New Price Current.

London Mercantile Price Current.  
Mercantile Journal.  
Nicolson's New Price Current.  
Prince's Price Current.  
Sound List.  
Trades' List.  
Universal Corn Reporter.

Wetenhall's Course of the Exchange.

Each copy to be made up in the same way as a newspaper, with cover open at the sides.

The title of the publication must be written or printed immediately above the address; and any other writing than such address, name, initial, or mark for reference of any kind, calculated to convey information as to the party by whom such publication is forwarded, will subject the same to full letter rates of postage.

Prices Current cannot be forwarded a second time without being charged full letter postage.

Prices Current from any colony or place abroad by private ship are charged the same rate as newspapers. Prices Current from any British colony by packet, direct to any place in the United Kingdom, one penny each.

Prices Current from any foreign country by packet (except France, Belgium, Holland, and China), direct to the United Kingdom, twopence each.

Prices Current from whatever part (except China) received by way of France, Belgium, Holland, or Hamburg, twopence each.

Newspapers posted out of date, written on, or in any way marked for reference, or containing anything contrary to the Act, or without being prepaid, will, if there be no means of forwarding

them as unpaid letters, be sent to the Dead Letter Office. When they can be forwarded, those out of date, or not prepaid as required, will be charged with the ordinary letter postage.

Newspapers posted in France contrary to the established regulations of that country, are transmitted to this country as letters. British newspapers re-posted in France for England are charged with the British frontier postage of 5d. per half ounce.

## Periodical Publications, &c.

Periodical works, unstamped, and not of daily publication, Parliamentary proceedings, &c., may be forwarded, by direct packet or private ship, to and from France, Belgium, Bremen, Hamburg, Holland, Prussia, and the United States) but not to countries passing through), under the following regulations:—

1st, The postage must be paid in advance (except those from).

2d, They must be sent in covers open at the sides for examination.

3d, They must be printed in the English language, or the language of the country they are sent from.

The rate on such works will be as follows:—

Not exceeding two oz. in weight, one penny.

Not exceeding three oz. in weight, sixpence.

And twopence for every additional ounce to 16 inclusive, beyond which weight no publication can be forwarded except paid for as letters.

Plates of fashions, music, &c., accompanying newspapers and periodicals, are to be considered as part of such publication, and are not liable to extra charge. Prints published with newspapers, and duly stamped, may be sent by post separately as a newspaper; but those bearing the supplement stamp of  $\frac{1}{2}$ d. only, must be sent with the paper it belongs to, and be under the weight of two ounces.

Periodicals posted without previous payment will be forwarded as unpaid letters, and no single pamphlet or work unnumbered, and without reference to its continuance at any other time or period, can be considered or taken to be a periodical.

PAMPHLETS, although not published periodically, may be forwarded to the UNITED STATES at the same rates as above, when not exceeding eight ounces.

## Stamped Publications.

Stamped Publications, other than Newspapers, must not exceed two oz. in weight, and are subject to the same regulations as Newspapers with regard to date, when intended for abroad.

## Printed Votes and Proceedings of the Imperial Parliament, and of the Colonial Legislature,

Whether paid or unpaid, pass at the same rates to certain Colonies, by packet, as between places in the United Kingdom. Where there are no packets, they may be forwarded by private ships at double these rates. They are not, however, forwarded to places through France under the full rates of letter postage. The following are the rates chargeable:—

Under 4 oz. 1d.

Above 4 oz. and under 8 oz., 2d.

Above 8 oz. and under 12 oz., 3d.—and so on.

To the British colonies and possessions in West Indies, Canada, Hong Kong, Ceylon, Malta, and Gibraltar, the rates chargeable on Votes and Proceedings are the same as printed books.

## Books sent at Reduced Rates to certain Colonies.

Printed books, magazines, reviews, and pamphlets (whether British, Colonial, or Foreign), may be transmitted by the post between the United Kingdom and

And so on, increasing 1s. for every additional pound or fraction of a pound; provided, however, that the following conditions be carefully observed:—

3d, It must not exceed two feet in length, breadth, width or depth.

5th, The postage must be prepaid in full, by affixing outside the packet or its cover the proper number of stamps.

If any of the above conditions be violated, the packet must be charged as a letter, and treated as such in all respects.

## Registered Letters, Foreign, Colonial and Ship.

In the case of foreign, colonial, or ship registered letters, it must be clearly understood that registration cannot extend beyond the port of despatch in the United Kingdom; and the office does not engage for the security of any registered foreign, colonial, or ship letter longer than while the contents of the mail shall be in the custody of the British Post-Office. Letters, however, addressed to France, and letters passing through France, are exceptions to this rule, the French Post-Office undertaking to provide for their security till they shall have been delivered, if addressed to France, and so long as they remain in the French territory, if passing through France. All registered letters to and from France, and countries passing through France, must be paid to their destination, or to the farthest limit, and are subject to the following regulations:—

1st, A registration fee of sixpence in addition to the British portion (or rate) of the postage upon such letters.

2d, The foreign portion of the rate must be calculated, and the amount doubled.

Registered letters for Prussia, or to foreign countries through Prussia, must be prepaid the full postage (British and Foreign) as well as the British registration fee of sixpence, and a further charge of threepence on each registered letter, whatever may be its weight, on account of the Prussian registration fees. It is hoped that the public will take the precaution to register all letters of value.

## Redirected Letters.

Redirected letters between France, Belgium, and Holland, and countries the correspondence of which passes through France, Belgium, and Holland, and the United Kingdom, are returned charged with the same amount of postage that should have been paid by the receivers. Letters originating in the United Kingdom, redirected from France, Belgium, or Holland, are returned under the same conditions, and are liable to a further charge of British postage—viz, 5d. from Calais, and 8d. from Holland.

## Redirected Newspapers.

Newspapers originating in the United Kingdom, addressed to parties in France, Belgium, and Holland, who have returned, may be redirected (on the original covers) to them, and are liable to the first charge only.

Newspapers from the colonies and foreign countries, for persons who may have removed, may be redirected to them at any place within the United Kingdom free of postage, provided they have not been opened at the place to which they were originally addressed. But a newspaper which has been opened is charged at the same rate as if it were a letter from the place of redirection to the place at which it may be ultimately delivered. Newspapers upon which any colonial or foreign postage may be due when redirected, shall be delivered at any place within the United Kingdom for the same amount of postage that would have been chargeable had they been delivered at their original address. Newspapers from one foreign country or colony to another, in transit through, and addressed to the care of a person in, the United Kingdom, may be redirected forward without extra charge, provided they have not been out of the custody of the Post-Office; but such Newspapers cannot be reposted without incurring the charge of letter postage.

## Non-Commissioned Officers, Seamen, and Soldiers in Her Majesty's Service Abroad.

Letters to seamen and soldiers are forwarded by post at the rate of one penny each, under the following regulations:—

- 1st, The penny must be paid at the time the letter is put into the Post-Office.
- 2d, The direction must signify the class of seaman or soldier.
- 3d, The name of the ship, regiment, or corps, to which he belongs.
- 4th, The letter must not exceed half an ounce, and be upon their private concerns only.

Letters for seamen or soldiers, whether in Her Majesty's or the East India Company's military or naval service (while on actual service), may be forwarded, under the foregoing regulations, to India, China, &c., *via* Southampton. They can now be sent to India, *via* Marseilles, on payment of the British rate of 1d., besides the French rate of 5d., if under a quarter of an ounce, or 10d. exceeding that weight, or to any foreign country, on payment of the foreign rate of postage in addition to the British rate of 1d. as above.

Letters for seamen and soldiers forwarded by private ships (with the following exceptions:—St Helena, East Indies, New South Wales, Cape of Good Hope, and Mauritius) are charged 3d. each.

Letters of soldiers and seamen, addressed to the United States of America, will in future be chargeable with the American rate of five cents, or twopence-halfpenny sterling each, in addition to the ordinary British rate of one penny; the postage of all such letters must be prepaid.

Warrant officers, either in the army or navy, or masters' mates, or engineers of the navy, are not entitled to transmit letters at less than the usual rates of postage.

Seamen's or soldiers' letters received from any part beyond sea, upon which the said penny has not been prepaid, shall be charged to the receiver with double the rate—viz., 2d. each.

## Redirected Letters for Officers, Soldiers, and Seamen.

Letters redirected to commissioned officers in the army or navy, subject to foreign or colonial postage, may be forwarded to such officers when removed upon service (whether at home or abroad), and be delivered to them for the same amount of postage that would have been chargeable had they been delivered at their original address. In all other cases they are subject to the same regulation as ordinary redirected letters. Soldiers' and seamen's letters are not liable to any additional rate upon redirection.

## Money Order Office.

Money Orders are issued and paid at the General Post-Office, Edinburgh, between the hours of 10 and 4.

The Commission chargeable for Money Orders is threepence on sums not exceeding £2; and on sums above £2, and not exceeding £5, sixpence. No Order will be given for sums beyond this amount.

The Money Order Office, and the system of Registration, have been devised expressly for the security of Money and other valuable property transmitted through the Post Office. With the great convenience thus afforded for transmitting small sums at so low a charge, and the power given of Registering Letters containing value, it is hoped the Public will no longer forward letters of value *except in one or other of these methods.*

In all cases where personal attendance is inconvenient, if the Money Order is receipted by the person to whom it is made payable, and the party presenting it for payment can afford full information as to the Christian name, surname, address, and occupation of the person who originally obtained the Order, payment will be made; but unless these conditions are strictly complied with, it will be refused. Any Money Order presented through a bank, will be paid, without the name of the remitter and the signature in full of the Christian name of the payer being insisted upon as a condition of payment, provided that the bank be situated in the town on which the Money Order is drawn, that the Order be crossed with the banker's name, and the party applying at the Money Order Office be known there as in the employment of the bank. It must be understood, however, that in all such cases the liability of the Post-Office will absolutely terminate with the Payment of the Order so presented.

With a view to simplicity and economy in the accounts of the Money Order Office, it has been found necessary to lay down the following rules:—

1. Every Money Order issued on or after the 6th October 1848, must be presented for payment before the end of the second calendar month after that in which it was issued (for instance, if issued in October, it must be presented for payment before the end of December,) otherwise a new Order will be necessary, for which a second commission must be paid.

2. If an Order be not presented for payment before the end of the twelfth month after that in which it was issued (for instance, if issued in October, and not presented before the end of next October), the money will not be paid at all.

3. As, after once paying a Money Order, by whomsoever presented, the Office will not be liable to any further claim, the public are strictly cautioned—

- a. To take all means to prevent the loss of the Money Order.
- b. Never to send a Money Order in the same letter with the information required on payment thereof.
- c. To be careful, on taking out a Money Order, to state correctly the Christian name as well as the surname of the person in whose favour it is to be drawn.
- d. To see that the name, address, and occupation, of the person taking out the Money Order, are correctly known to the person in whose favour it is to be drawn.
- 4. Neglect of these instructions will lead to delay and trouble in obtaining payment, and even risk the loss of the money.

These instructions, together with some others of minor importance, will be found printed on every Money Order.

See pages 398 to 415 for places in Scotland, England and Wales, and Ireland, upon which alone Money Orders can be drawn, and at which they can be issued. A Money Order intended for a person residing at a place in which there is no Money Order Office, should be drawn upon the Post-Town nearest to it which may have a Money Order Office.

- 2d, When a party not exceeding two grown-up persons, and without any luggage other than a carpet-bag or the like, enters a Carriage at a Stance, or when driving along disengaged, they shall be driven half a mile for 6d., and if they return they shall pay another 6d.
- Note.—No measurement of this distance is given in the Tables, but the Public and Drivers may easily compute it, from knowing that it is half a mile from the Register Office to the following places, viz., South Castle Street, West End of Regent Terrace, Surgeons' Hall, Nicolson Street, and Gayfield Place, Leith Walk.*
- 3d, Excepting the Sixpenny Fare, the Fares by distance shall be as shewn in the annexed Table of Fares. The charges in the Table shall include going from the nearest Stance to the Hirer's residence and waiting ten minutes. But if the Carriage be detained before starting more than ten minutes, a charge of waiting at the rate of 6d. for each quarter of an hour, or part thereof, after the expiry of the ten minutes, shall be allowed; and if the place where the Hirer is to be lifted be beyond the nearest Stance, or above half a mile from the Stance, whence the Carriage is taken, there shall be a charge of 6d. extra.
- 4th, When any Place is not mentioned in the Table, the Fare shall be the same as that to any place mentioned which may be in the immediate vicinity.
- 5th, When the Fare of any particular place not mentioned cannot be ascertained by reference to a place in the immediate vicinity, the Fare shall be 1s. for a distance from the Stance not exceeding a mile and a half, and 6d. for every additional half mile, or part thereof, calculating the distance in the case of the Centre Stance from George Street Assembly Rooms.
- 6th, Half Fare returning.
- 7th, When parties return (which they shall have the option of doing), and the Fare going is 1s., the Carriage shall wait ten minutes without any charge for waiting; when 1s. 6d., fifteen minutes; when 2s. and upwards, twenty minutes. If the Carriage be detained longer, a charge will be allowed for waiting, at the rate of 6d. for every twenty minutes, or part thereof, commencing at the periods when the free waiting expires.
- 8th, When a Carriage is called but not used, a charge of 6d. shall be allowed, if the place to which it is called be under half a mile from the Stance, and a Shilling if beyond that.—Waiting as in section seventh.

## (II.) FARES BY TIME.

It shall be in the option of the Hirer to employ a Carriage within the bounds of Police by time, for *bond fide* SHOPPING, MAKING CALLS, and the like, where the driving is not continuous. The charge in such cases shall be 1s. for the first half hour, and 6d. for every additional quarter of an hour.

For an Airing into the Country within five miles from the General Post-Office, and returning either by the same or a different road, the rate shall be Sixpence for every ten minutes. A drive round the Queen's Drive to be considered an Airing. Unless the Hirer wishes a slower rate, the rate of driving when out an Airing shall be at least six miles an hour. If the Airing go beyond five miles, the duty to be paid in addition.

## (III.) WHETHER THE FARES ARE BY DISTANCE OR BY TIME,—

- 1st, The Hirer pays Tolls.
- 2d, If there be more than four grown persons driven, a charge of 6d. extra shall be made for each additional grown person, and a charge of 6d. for each two children above six years of age. No additional charge for one child above six or children under six.
- 3d, For Luggage exceeding 70 lbs. in weight there shall be a charge of 6d. extra. But there shall be no charge for Luggage under that weight. The Driver shall assist in loading and unloading in all cases when required.

- 4th, From Eleven at Night till Eight Morning, Fare and a half.  
 5th, The above Fares for One-Horse Carriages. The Fares for Two-Horse Carriages shall be one-third more.  
 6th, Owners or Drivers may agree to drive at lower Fares than those fixed. In that case, should they demand more than the Fare agreed on, they shall be liable as for an over-charge.

(IV.) FARES MAY BE WITHHELD.

- Any Party shall be entitled to withhold payment of the Fare,—  
 1st, When the Name and Number are not painted outside, or when there is no card or plate inside, in terms of Article Second of these Bye-Laws.  
 2d, When the Reference-Ticket is not offered on entrance.  
 3d, When the Bye-Laws, Table of Fares, and Driver's Licence are not shewn on demand ; and,  
 4th, When an overcharge is made.

PROPERTY LEFT.

10. All Property left in Carriages shall be immediately returned to the owner if known, or if not known, shall within 24 hours be delivered to the Depute City Clerk at the Council Chambers, and the Driver shall be rewarded in such cases as the Magistrates may direct.

REDRESS.

11. Parties contravening these Bye-Laws are liable for each contravention in a penalty not exceeding Forty Shillings, or to withdrawal or suspension of the Licences, in a prosecution before the Magistrates ; and Parties aggrieved will obtain Redress on application to the Procurator-Fiscal at the City Chambers, within eight days after the date of the offence.

*The Standard Life Assurance Company—continued.***DIVISION OF PROFITS.**

A very large portion of the Profits of this Company is allocated periodically to the Assured on the principle of a **Tontine**. Divisions have already taken place at four periods, viz., 1835, 1840, 1845, and 1850; and next year, 1855, a fifth Division will be made from the Profits which have arisen during the five years from 1850 to 1855.

The following Table shews the Additions, as made at the periods above mentioned.

Additions to Policies are vested when the Policies have been in existence for Five Years from the date of the risk commencing.

According to the **Tontine principle** referred to, the measure of a Policy's claim for Profits increases at each Division, so that the party who protects his family by a Life Assurance has, at the same time, the benefit of participating in the profits of the business, according to his survivorship—that is, the length of time he continues connected with the Institution.

The following cases, taken from the Books, will tend to illustrate the system:—

**1852.**

On 4th May 1852, died E. F., aged 65. He effected an Assurance on his Life in 1828 for £500 0 0 And there was added by the Company from the Profits—

On 19th July 1853, died G. H., aged 80. He effected an Assurance on his Life in 1826 for £500 0 0

The Share of Profits attaching to a Policy may be applied to increase the Sum Assured, or the value may be received in Cash, or be applied to reduce the Annual Premiums.

## CONDITIONS OF ASSURANCE.

### UNCHALLENGEABLE POLICIES AND FREE RESIDENCE IN ANY PART OF THE WORLD.

When a person assures his life he generally limits his inquiries to the rate of premium, the prospects of bonus, and the general character of the office, but seldom gives attention to the "Terms and Conditions" of Assurance. Within the last few years, however, indeed since 1851, when this Company promulgated the system of "Select Assurance," admission to which renders Policies *indisputable and unchallengeable on any ground whatever*, the question of "Terms and Conditions" has become a most important point of consideration, and the day is quickly approaching when no one will hold a Policy from an office which does not give similar advantages. What a boon is it to Heirs of Entail, to Borrowers of all descriptions, to Marriage Trustees, in short to all classes, to know, that *whatever may happen, wherever the Assured may go*, the claim will be met at death, subject to one simple condition, that the annual premium originally stipulated be punctually paid!

### ADVANCES ON THE SECURITY OF POLICIES, AND SURRENDERS.

The Directors have also been led to consider the position of the Assured with reference to Loans on the Security of their Policies, and to Surrenders. In both these respects they have lately adopted rules of the most liberal character, allowing surrender value on Participating Policies from the commencement of the Assurance, while the same sum which would be given for surrender will be given in loan *without expense* beyond the trifling stamp duty, and at a rate of interest which securities on land alone command. Thus at present the rate is 4 per cent., and the Directors have followed this course on the simple and unanswerable view, that the loan, being on the security of a Policy with the Company, and within its value, should not be subject to a higher rate of interest than landed securities. With these facilities, no Policy need be forfeited, except by carelessness, so long as the Assurance is of sufficient value to authorise an advance equivalent to the Premium.

THE Distinctive Features of this Company are as follow:—

1. There is an Annual Investigation into the affairs of the Company, and an Annual Division of Profits.
2. The Assured are entitled to participate in the Profits immediately from the commencement of their Assurance.
3. The Assured are allowed the alternative course of having their share of the Profits added to the sums in their Policies, or of having the value thereof annually returned to them in cash.

Particular attention is invited to the above Bonus System. By the alternative which is offered, the amount of the Assurance may either be rapidly increased by large Annual additions, or the Premium may each year be very greatly reduced.

[Continued.]

- IV. AT THE END OF FIVE YEARS *from their date, the Company's Policies (provided satisfactory evidence of age has been produced), are indisputable on any ground whatever, so that the Policy will not be vitiated by any error or mis-statement in the declaration by the Assured, and the sum in the Policy will be paid without reference to the place where, or the circumstances under which, the Assured may have died.*

THE SCOTTISH PROVIDENT INSTITUTION is the only Office which combines the advantage of participation in the Whole Profits with moderate Premiums. It is a Mutual Assurance Society, in which the Whole Profits belong to the Policy-holders; and it is free from the objection of excessive Premiums, which is urged by the Proprietary Companies against other Mutual Societies.

The PREMIUMS are as low as those of the *non-participating* scale of the Proprietary Companies. They admit of being so, not only with safety, but with ample reversion of Profits to the Policy-holders—being free from the burden of payment of dividends to Shareholders.

The principle on which the PROFITS are divided is at once safe, equitable, and favourable to good lives—the Surplus being reserved for those members who alone can have made surplus payments; in other words, for those whose Premiums, with accumulated Interest, amount to the sums in their Policies. This principle, while it, on the one hand, avoids the anomaly of giving additions to those Policies which become claims in their earlier years, secures, on the other hand, that there is no member who has not been, in a pecuniary sense, a gainer by the transaction, who does not receive a share of the Profits.

The practical working of the system has been, that at the first Division of Surplus—fifteen and a half years after the commencement—Bonus Additions have been made to the Policies which have come within the Participating Class,

varying from 20 to 54 per Cent. on the Sums Assured.

In all points of practice—as in provision for the indefeasibility of Policies, facility of licence for travelling or residence abroad, and of obtaining advances on the value of the Policies—the regulations of the Society, as well as the administration, are as liberal as is consistent with right principle.

**ANNUAL PREMIUM TO ASSURE £100 AT DEATH.**

Age 25	30	35	40	45	50
£1 18 0	£2 1 6	£2 6 10	£2 14 9	£3 5 9	£4 1 7

The same Premium which, at age 30, is charged in the other Scottish Mutual Offices for Assurance of £1000, will secure, in this Society, a Policy for £1230. And it is to be borne in mind, that the higher immediate Assurance in this Office does not involve the sacrifice of the member's interest in the Profits, or any portion of it. This advantageous comparison holds good, to nearly the same extent, with the *participating scale* of the Proprietary Companies.

Copies of the last Annual Report, Forms of Proposal, and every information, may be had on application at the Head Office, or from any of the Agents.

INSURANCE from Loss or Damage by Fire has been found a measure of great importance to the security of Property and to the happiness of Families. This precaution is seldom neglected by Merchants and Tradesmen, and is equally necessary to Gentlemen, Farmers, and Manufacturers of every kind.

The PHÆNIX OFFICE was established by a numerous Proprietary in January 1782, upon principles of public utility. The promptitude and cheerfulness with which the most important Losses have been made good by the Company are well known;—a large Capital in Government Securities is at all times held in readiness for that purpose.

N.B.—The private fortune of every individual Shareholder in the Company is responsible for its engagements; and no person insured in this Office is liable for the Losses of others, as is the case in Contribution Societies.

## Life Assurance.

THIS Institution, which combines every advantage of a Scotch and English Office, rests its claim to the support of the *Public generally* on the sound and equitable principles of its scheme.

It combines the MUTUAL or Participating, with the PROPRIETARY or Non-Participating System of Assurance.

In the former, the Assured are entitled to the WHOLE of the Accumulated Profits. In the latter, they are charged the lowest Rates of Premium consistent with security to the Establishment.

During the Five Years ending 31st December 1852, New Policies were issued to the extent of £864,016; and the total amount assured during the Twelve Years since the foundation of the Institution amounts to £1,972,506.

In both branches the Policy-holders are fully protected by the large Proprietary Capital of the Company, subscribed by a numerous and influential body of Shareholders.

The remarkable success of the Institution will be evident from the result of the recent SECOND Division of Profits, when an Annual Reduction or Allowance of THIRTY per cent. was made on the Premiums payable during that and the four following years, or an equivalent addition made to the sum assured.

LOANS can be effected with this Company on Policies on the Mutual Scale, which have been Five Years in existence, to the extent of the Surrender Value, on the simple deposit of the Policy, without further security.

## Fire Assurance.

Premiums of Assurance against Fire are charged at the usual moderate rates, with a Reduction of £10 per cent. on the Residences and Furniture of Clergymen of *all denominations*, and the Buildings and contents of Churches and Church Schools.

Detailed Prospectuses, the necessary Forms of Proposal, and every requisite information as to the mode of effecting Assurances, may be obtained either by letter or personal application at the Branch Office of the Institution, 55 Great King Street, Edinburgh.

## LIFE INSURANCE.

THE DIRECTORS of this COMPANY have been able, at each of three successive Divisions of Profits, after discharging all claims and expenses of every description, to make a vested Bonus Addition to every existing Policy on the Profit Scheme, exceeding, in some cases, 64 per cent. of the Premiums paid.

At the last allocation, after providing for the Bonus, a large sum was carried over to increase the Fund for future Division.

It will be kept in view that, while the Bonuses have been so considerable, the Company's Premiums are generally lower than those of most other Offices.

The PROFITS are Divided ANNUALLY, and every Policy on the Participating Scheme shares in each Division.

NO CHARGE is made for the Policy Stamp, Entrance Money, or any other payment but the Premium.

Persons assuring their Lives obtain relief from Income Tax on that portion of their incomes which they devote to this purpose.

## LIFE DEPARTMENT.

THE following advantages are offered by this Company :—

### I. SECURITY.

It is possessed of a very large Subscribed Capital, divided among a numerous body of Proprietors, and thus the absolute security so essential to a Life Assurance Society is afforded in its most substantial form.

### II. PREMIUMS.

The Rates of Premium have been calculated expressly for it, and will bear a fair comparison with those of other Companies. No ENTRY-MONEY IS CHARGED. Parties may assure either a specific sum, payable at death, on payment of a reduced rate of Premium; or, on payment of an increased rate, they may participate in the Profit Scheme of the Company.

### III. DISTRIBUTION OF PROFITS.

TWO-THIRDS of the Profits arising on the Participating Class of Policies, *without being subject to any charges for Management*, are divided EVERY FIVE YEARS among those entitled to participate, on the MOST EQUITABLE PRINCIPLE, viz., in the proportion each party has contributed to the Fund.

The following Table shews the Additions made to Policies of £1000 which have been in existence Seventeen complete years, from 1st August 1834 :—

Age when Assured under.	Additions.	Total Sum Payable in case of Death.
		£    s.    d.
30	250 1 6	1250 1 6
35	254 2 6	1254 2 6
40	259 6 11	1259 6 11
45	267 11 10	1267 11 10
50	281 12 7	1281 12 7

Thus averaging upwards of one and a half per cent. per annum on Policies which have been in existence from the commencement of the Profit Scheme in 1834, a period of Seventeen years.

The Bonus may be applied, at the option of the Assured, in any of the following ways :—

- I. It may be added to the Sum Assured ; or,
- II. Applied in Reduction of Future Premiums ; or
- III. Surrendered for its present Value in Cash.

Liberal Sums allowed for the Surrender of Policies after Three Premiums have been paid.

Assurances may be effected on the Increasing or Decreasing Scale of Premiums, and upon Joint Lives and Survivorships.

Assurances without Participating in the Profits on a Reduced Scale of Premiums.

## FIRE DEPARTMENT.

This Company Insures almost all kinds of property against accidents arising from Fire, at rates commensurate with the risk.

The Directors can with confidence refer to the promptitude and liberality with which accidental losses are adjusted by this Institution.

Losses by Lightning to Farming Stock are paid.

Copies of Prospectus, and all other information, may be had on application at the Offices of the Company, or to any of the Company's Agents.

### Life Assurance

THIS COMPANY offers to Insurers the most important advantages:—The Security of a large Subscribed Capital—Moderate Rates of Premium, especially for Young Lives—a participation in the Profits of the Life business, ascertained quinquennially—and the option of having the Bonus added to the original sum in the Policy, or applied to reduce the future annual payments.

The BOARD, with a view to giving increased facilities in the transaction of Life Business, have constructed a great variety of Tables by which Assurances may be arranged:—Non-participating Tables at reduced rates of Premium—Tables with gradually increasing or decreasing rates of Premium—Tables subject to a limited number of annual payments, future payments ceasing at a fixed period—Tables for Endowment Assurances, securing a sum payable to the Assured himself on attaining a certain age, or to his heirs should he die previous to attaining that age.

No Entrance Fees are charged, and the Assured may proceed to any part of Europe without extra Premium.

Loans also are made up to the value of the Policy, on its simple deposit with the Company, and without expense to the borrower.

Policy Stamps are paid by the Company. Sums paid as Premiums for Life Assurance may be deducted from Income in the returns for Income Tax.

THE COLONIAL LIFE ASSURANCE COMPANY has been established for the purpose of affording to the Colonies of Great Britain the advantages of Life Assurance, and its Regulations have been so framed as to attain that object in the most efficient manner, under the most liberal covenants. The progress of the business has been attended with complete success.

From the wide basis of its constitution, and the extent of its resources, the Company affords advantages which no local institution can confer, and it has good ground for asking public preference and support over other British Offices doing business in the Colonies, not only with reference to the facilities which it affords by receiving Premiums and paying Claims in any British Colony where its policy-holders may reside, but on the ground, that in seeking business out of Great Britain it does so not as an after-thought, its Colonial Arrangements not being mere extensions of or additions to a home business, but as part of its original scheme and intention.

The Profits of the Company for the period from 1846 to 1854 fall to be divided as at 25th May 1854, and parties who assure on or before that date will participate.

Every information as to the Company, and its Terms and Conditions for Assurance, can be had on application at any of the Branch Offices or Agencies of the Company at home or abroad.

## LIFE DEPARTMENT.

The GUARDIAN was established in 1821, upon the principle of giving to the Assured one-half of the Profits by a Septennial Division.

In 1850, it obtained an Act of Parliament, empowering it to divide its Profits **Quinquennially**, and to give to the Assured **Four-Fifths of the Profit** to be derived from all Assurances effected after that date; and, at each period of Division, the Assured will have the option of receiving their respective shares of profit in ready money, or of applying the same to increase the sums assured by their respective Policies, or to reduce the Premiums payable thereon.

The Company also effects Assurances on **Unsound Lives** at reasonable extra Premiums, and grants Licences for the Assured to reside in the **East or West Indies** at much reduced extra Premiums, and it grants **Loans** on **Life Policies** to the extent of their values.

This Company refers with confidence to the fact, that Life Claims, amounting to £2,390,306, have been all admitted, with the single exception of a case of acknowledged Fraud, as a proof at once of the high character of its Insurers, and of the liberal manner in which the liabilities of the Company have been met.

The circumstance of the Fire and Life business being carried on in the same Premises and under one Board of Directors, manifestly operates in favour of the Assured, by **diminishing the expenses of management** on each separate branch of the business.

Persons Assured with this Company are not required to pay for Policy Stamps or Medical Fees; and, under the new Income Tax Acts, any person who may effect with this Company an Assurance on his own Life, or on the Life of his Wife, will be allowed an abatement of Income Tax on the Annual Premium paid on such Assurance.

## FIRE DEPARTMENT.

Insurances effected on Property in Great Britain, including Ships in Dock, Rent of Houses, Farming Stock, and Losses by Fire occasioned by Lightning, the rates for which are as under:—

Common Insurances (with certain exceptions)	.	1s. 6d. per Cent. per Annum.

THE Assured in this Society enjoy *during their own lives* the Surplus or Profits arising on the business. The divisible Surplus is ascertained *every year*, and is paid over *in money* to the Assured at the settlement of their next Annual Premiums. By this system Life Assurances are obtained at the *lowest expense* consistent with Security.

The Association has divided Profits at Ten successive periods. At each of the last Seven periods, the Profits repaid amounted to 35 per cent. of the Premiums—that is, 7s. per £1; and the Policy-holders were required to pay only 13s. per £1 of their Premiums. The Premiums have thus been reduced to *less than two-thirds* of their amount. For example:—

A member whose annual Premium is £10, has, this year, paid only £6, 5s.; and another member, whose annual Premium is £25, has paid only £16, 5s.

The following are specimens of the Premiums payable, in the present year, by members of Five Years' standing at the last annual balance:—

Age at Entry.	Policies of £100.	Policies of £500.	Policies of £1000.	Policies of £5000.
20	£ 1 4 0	£ 6 0 0	£ 12 0 0	£ 60 0 0
30	1 11 7	7 17 11	15 15 10	78 19 2
40	2 2 4	10 11 8	21 3 4	105 16 8

\* \* This mode of dividing the Surplus or Profits has been adopted by no other Assurance Office in Scotland.

ONE-HALF of the PREMIUMS for the first Six Years may remain unpaid during the pleasure of the Assured, interest being paid annually thereon.

**NO CHARGE FOR MEDICAL FEES, ENTRY-MONEY, OR POLICY STAMPS.**

During the year ending 5th April 1853, the Association issued 1257 new Policies for Life Assurances, amounting to £466,724. The Annual Premiums receivable for these amount to £15,276. Policies for 22 Annuities and 8 Endowments were also issued during the year. The total number of new transactions was, therefore, 1287; and the total sum payable during the year to the Association, on account thereof, was £20,692.

Prospectuses will be sent, post-paid, to any part of the Kingdom; and parties residing in Districts where there are no Agents of the Society, may readily effect Assurances by communicating with the Manager at the Head Office.

THE system adopted by this Institution gives to the Assured every advantage Life Assurance is capable of affording; and the success with which it has been attended, arising from its extended connexion and the safe and liberal principles on which it is founded, is sufficiently proved by the fact that nearly Nine Thousand Policies have been issued, assuring sums amounting to almost Two Millions sterling.

Policies issued for the year ending 20th November 1853, have been *One Thousand Three Hundred and Fifteen.*

No Entrance Fee, or charge for Policy Stamp.

## ADVANTAGES OF THIS OFFICE.

1. Entire profits belong to the Assured.
2. No lawsuits—disputes, if any, settled by arbitration.
3. Any sum may be assured, from £25 to £5000, payable to the Member himself on attaining any fixed age, or at once to his Representatives, in case of earlier death.
4. Arrears may be paid up at any time, within twelve months, upon production of certificate of health.
5. Policies indisputable, except for palpable fraud.
6. This Society is formed entirely on the Mutual Principle, and possessing advantages resulting from being enrolled under the provisions of the Acts of Parliament relating to Friendly Societies, whereby the sums assured to the Widow, Widower, or Children of deceased Members, are payable to them free from Legacy or Probate Duty—a privilege which the Directors, by considerable effort, were the means of securing.
7. By a clause in the New Act relating to Friendly Societies, the Board is empowered to advance Loans to Members on the security of their Policies, of Five Years' standing and upwards. The mode of procedure in such cases is easy and simple, entailing no trouble or legal expense, and many Members have already availed themselves of the privilege.
8. A lower rate of mortality than in any other office in Great Britain.
9. Liberty to travel or reside in any part of Europe, in Canada, and in the northern part of the United States, without extra charges.

*N.B.—The Temperance and Public sections are kept in separate classes, and will each receive their own profits. Prospectuses, also copies of the Twelfth Annual Report, may be had at the BRANCH OFFICES, and at the CHIEF OFFICES in Edinburgh, Glasgow, Aberdeen, Manchester, Liverpool, London, Dublin, and Belfast.*

THIS Office was established for the express purpose of protecting Insurers against the HIGH Rates charged by most of the other Companies; and, whilst all proposals of extreme hazard are declined, Ordinary Risks are taken at a MODERATE Rate of Premium.

The long standing and success of this Company is the best evidence of the satisfaction given to the Public. Every accommodation is invariably afforded in all transactions; and the most prompt and liberal adjustment of claims is maintained.

## LIFE DEPARTMENT.

THE system of this Company presents a combination of the most important advantages, of which the following may be enumerated.

1. Absolute security is afforded by the Funds accumulated from Premiums, with the guarantee of a Large Capital.
2. The Premiums are moderate.
3. Investigations are made quinquennially, and intermediate Bonuses are allowed on participating Policies that become claims between two periods of division. The interests of the holders of such Policies are in this manner equalized as perfectly as by any system.
4. Policies, in which the age of the assured is admitted, are now issued without liability to be disputed on any ground whatever, after the lapse of five years from their date, provided only that the ordinary premiums be regularly paid, with any extra that may be incurred.
5. No extra charge is now made for Residence, in time of peace, in any part of the world north of 38 degrees of north latitude, or south of 30 degrees of south latitude, California and the gold regions of Australia alone excepted.
6. For surrender of Policies for the term of life, effected at uniform rates, and which have been three years in force, a return of forty per cent. of the ordinary premiums received will be at any time allowed, and that, in the case of participating Policies, in addition to the value of vested Bonuses thereon.

## FIRE DEPARTMENT.

Common, Hazardous, and Doubly Hazardous Risks are undertaken at the usual rates of 1s. 6d., 2s. 6d., and 4s. 6d. per cent. respectively. Special insurances at increased rates.

**I**N addition to the advantages hitherto offered by this Institution, the Directors have recently obtained the sanction of the General Court of Members to the adoption of one or two new points of practice, which they trust will be found conducive to the general interests of the Society. In particular, it may be stated that, under the powers now held by them, they are authorised,

- 1st, To grant (under certain conditions and provisions) Certificates declaring Policies unchallengeable on any ground whatever, except the non-payment of Premium.
- 2d, To allow the Vested Bonus Additions attaching to Policies to be applied towards Reduction either of the whole Future Premiums under the same, or of such Premiums only as may be payable previous to the next succeeding period of Investigation—the temporary relief in the latter case being of course, in most instances, to a much larger extent.
- 3d, To issue Policies free of charge for stamp duty.

A Copy of the Report of the last Annual Meeting may be obtained on application at the Society's Office, or at any of the Agencies.

The extent of Bonus Additions declared to the Society's Policies may be exemplified by the following Table of one or two cases of emerged Risks.

**T**HE following are the advantages given by this Company:—

The BENEFITS of MUTUAL ASSURANCE, without liability.

The Guarantee of a responsible body of Proprietors either personally or otherwise assured  
with the Office, affords the most undoubted security to all classes of Assurers.

[Continued.]

*Edinburgh Life Assurance Company—continued.*

NINE-TENTHS of the WHOLE PROFITS septennially divisible among the Assured.

This is a larger proportion than can ever be divided by any simple Mutual Assurance Society.

AN INTERMEDIATE BONUS paid on Policies becoming Claims between one investigation and another.

All the advantage of an Annual Division is thus given, without its attendant evils.

THE MOST EQUITABLE PRINCIPLE OF DIVISION.

The greatest benefits are thereby bestowed upon the oldest Policies, thus securing that First Class Lives shall not suffer by any undue Bonus being paid away to those who may die early.

RATES OF PREMIUM EXTREMELY MODERATE.

The Non-Participation scale is equivalent to a present Bonus of considerable amount, when compared with most other Offices.

ASSURANCES effected in any way that the interest of parties may require.

*The Company transact for the Purchase and Sale of Annuities, present and contingent Reversions, &c.*

No Entry-Money or other Charge beyond the Premium, as the Company now issue their Policies free of Stamp Duty to the assured.

**Claims paid Three Months after Proof.**

The Benefits of the Participation Plan of Insurance are exhibited in the following examples of

Bonus Additions to Policies effected with this Company.

No. of Policy.	Age at Assuring	Sum Assured.	Bonus, 1835.	Bonus, 1842.	Bonus, 1849.	Total Sum now Payable.

318	37	3000	301 15 0	283 8 0	462 16 0	4047 19 0

It will be observed that in some instances the above Bonuses amount together to more than the sum originally insured—a feature of success of which few Offices can boast, and since the last declaration the Company have paid accumulated Bonuses of £145, £110, £100, £85, per cent., and various others, according to age and endurance of Policy.

Copies of the Report of Proceedings at last General Meeting, to declare the Bonus of 1849, with Prospectus and Rates, and all information, may be obtained at the Head Office, or any of the Agencies.

*Royal Insurance Company—continued.***Extract from J. H. Hartnoll's Letter to the President of the Board of Trade.**

"The success of the Royal Insurance Company has been very remarkable. It was shewn in the *Post Magazine* of the 25th August 1848, as the returns themselves will now serve to exhibit, that the profits on the business of the office for the preceding four years had amounted to the enormous sum of £108,641; affording a disposable surplus of £100,000, after payment of all charges for management, and apportioning five per cent. as a dividend on the previously paid-up capital.<sup>7</sup> The Directors very wisely recommended that, instead of withdrawing this sum for the purpose of distributing it among the proprietors, in the form of cash bonus, the sum of £89,280 should be taken from the accumulated fund, and added to the permanent paid-up capital of £178,560, which was thus raised to £267,840. I fear that the comments which have been made from time to time in the *Post Magazine* on the success of the Royal Insurance Company have had the mischievous effect of creating a desire in many of the new *Life Offices* to 'try their luck' in the *Fire* line. Several engraftments of the kind have already been made, others are announced, and more are privately talked of. The results that are exhibited in most of the preceding summaries of accounts are not, however, very encouraging for such experiments. It is as hazardous to enter upon a 'Little Fire Insurance business' as the good old Duke used to say it was to enter upon a 'Little war.'"

**Extract from the "Edinburgh Evening Post."**

"With regard to the results of the last year, as traceable in the report read at the last annual meeting of the Royal Insurance Company, we find that the premiums amounted to £49,110, 17s. 5d., exceeding those of the previous year by £5000. That is in the fire department alone; and in the life branch the premiums on new policies received during the first six months of 1852 were greater in amount by upwards of 10 per cent. than the whole number of new premiums for the entire twelve months included in the last report. The fact that assurances effected during 1852 would participate in the division of profits of 1854 has, we have no doubt, added greatly to the number assured and the amount of premiums since the above report was issued last year.

\* \* \* \* \*

"This statement of the actual results of the Company's operations, unprecedented in the history of these societies, and the high position it has attained in the scale of comparison with similar incorporations, constitutes the most effectual test and demonstration of its claims on the confidence of assurers."

THE SCOTTISH EQUITABLE LIFE ASSURANCE SOCIETY is an Institution peculiarly adapted to afford provisions for families. It is a purely Mutual Assurance Society. The whole Profits are allocated every THREE YEARS amongst Policies of five years' duration. No part is, as in the case of a Proprietary Company, diverted from those who are Assured, and paid away to Shareholders; and the additions which have already been made to Policies, afford the clearest evidence of the prosperity of the Institution, and the great advantages derived by its members.

## FOR FIRE, LIVES, AND ANNUITIES.

### Life Department.

THIS Company effect Life Insurances on equitable principles, with entire exemption from the liability of Partnership.

A large Capital, subscribed by the Proprietors, forms the security of the Assured.

The Premiums may all be paid at once, or in any given number of years—or quarterly, half-yearly, or yearly, as may suit the convenience of those holding the Policies.

Insurances may also be effected by paying an increased rate of Premium for a certain number of years, to be afterwards correspondingly reduced for the remainder of life; or, by beginning with a low Premium, to be increased when the expectation of greater means may be realised; or, two-thirds only of the Premium may be paid, allowing the remaining one-third to be a charge upon the Policy until its expiration, to be then deducted unless previously paid up.

All transactions in the Life Department are considered strictly confidential.

Prompt payment of claims is made three months after proof of death.

Loans granted on the Policies of this Office.

The following rates of Insurance for Single Lives are given as specimens from the Tables:—

THE SCALE OF PREMIUMS adopted by this Office will be found of a very moderate character, but at the same time quite adequate to the risk incurred.

FOUR-FIFTHS, or 80 per cent. of the Profits, are assigned to Policies *every fifth year*, and may be applied to increase the sum insured, to an immediate payment in cash, or to the reduction and ultimate extinction of future Premiums.

ONE-THIRD of the Premium on Insurances of £500 and upwards, for the whole term of Life, may remain as a debt upon the Policy, to be paid off at convenience; or the Directors will lend sums of £50 and upwards, on the security of Policies effected with this Company for the whole term of life, when they have acquired an adequate value.

SECURITY.—Those who effect Insurances with this Company are protected by its Subscribed Capital of £750,000, of which nearly £140,000 is invested, from the risk incurred by members of Mutual Societies.

The satisfactory financial condition of the Company, exclusive of the subscribed and invested Capital, will be seen by the following statement:—

On the 31st October 1853, the sums Assured, including Bonus added, amounted to £2,500,000

The Premium Fund to more than 800,000

And the Annual Income from the same source, to 109,000

Insurances, without participation in Profits, may be effected at reduced rates.

*NOTICE.—The following information with respect to the British Forces in Turkey and the Baltic, was received too late to be inserted in the Table of Foreign and Colonial Regulations.*

---

## NOTICE TO THE PUBLIC.

### Letters for the British Fleet in the Baltic, via Dantzig.

GENERAL POST OFFICE, June 1854.

Her Majesty's Government having made arrangements for keeping up a Weekly communication between the British Fleet in the Baltic and the port of Dantzig, by means of a steam-vessel to be detached from the fleet for the purpose, Mails will hereafter be forwarded weekly to Dantzig, for transmission by that vessel.

The mails will be made up and despatched from London every Tuesday Evening, and will be addressed to the care of the British consul at Dantzig, who will deliver them to the naval officer appointed to receive them.

All Letters upon which the requisite amount of postage has been prepaid, will be sent in these Mails, unless otherwise addressed.

Upon Officers' Letters, the following combined British and Foreign rates of postage must be paid in advance, viz. :—

Not exceeding Half an ounce in weight,	0s. 8d.
Exceeding Half an ounce, and not exceeding One ounce,	1s. 4d.
Exceeding One ounce, and not exceeding Two ounces,	2s. 8d.

and so on, according to the scale for charging Inland Letters.

Ordinary Soldiers and Seamen's Letters, posted in conformity with the usual regulations, may be forwarded *via* Dantzig, provided a combined British and Foreign rate of postage of *Fivepence* be paid in advance.

Newspapers cannot be sent by this route.

Letters for Soldiers and Seamen serving in the British fleet in the Baltic may still be forwarded, under the usual regulations, for a postage of one penny, by her Majesty's ships proceeding from England, but such opportunities will necessarily be uncertain.

### Letters, &c. for the British Forces in Turkey and the Black Sea.

GENERAL POST OFFICE, June 1854.

The French government having liberally offered to place the British forces in Turkey and the Black Sea upon the same advantageous footing with the French forces in respect of correspondence conveyed by French Mediterranean packets, and her Majesty's government

having accepted this offer, Closed Mails will hereafter be sent to the British forces in Turkey by the route of France ; and all Letters and Newspapers upon which the requisite amount of postage has been prepaid will be sent in these Mails, *unless otherwise addressed.*

Upon the correspondence so conveyed the following combined British and French rates of postage must be paid in advance, viz. :—

For a Letter addressed to an Officer in the British Army or Navy, or to a Non-Commissioned Officer, Private Soldier, or Seaman in Turkey or the Black Sea—

Weighing under Quarter of an ounce,	0s. 3d.
Weighing Quarter of an ounce, and under Half an ounce	0s. 6d.
Exceeding Half an ounce, and not exceeding One ounce	1s. 0d.
Exceeding One ounce, and not exceeding Two ounces	1s. 2d.
Exceeding Two ounces, and not exceeding Three ounces	1s. 4d.
Exceeding Three ounces, and under Three and a-half ounces	1s. 6d.
Exceeding Three and a-half ounces, and not exceeding Four ounces	2s. 4d.

and so on, adding 2d. British for each additional ounce, and 10d. French postage for every three and a-half ounces.

Newspapers will be liable to a postage of 2d. each, which must also be paid in advance.

As the French mode of charging postage is by the quarter ounce, it is necessary that a Letter should be under a quarter of an ounce in weight, in order to secure the advantage of the lowest rate.

The French Mail Packets leave Marseilles for Constantinople on the 1st, 6th, 11th, 16th, 21st, and 26th of each month, and the latest period for posting in London Letters and Newspapers intended to be forwarded by these packets will be the evenings of the 3d, 8th, 13th, 18th, 23d, and 28th, but when the month has 31 days, Letters, &c. may be posted on the 29th instead of the 28th.

Letters must be posted on the previous evenings when any of the above dates fall on a Sunday.

Letters for Soldiers and Seamen serving in the British Army or Navy in Turkey or the Black Sea, may still be forwarded under the usual regulations for a postage of *One Penny*, in the British Packets, by the route of Southampton and Malta, and thence by a vessel of war ; but the opportunities for the transmission of these Letters beyond Malta are necessarily uncertain.
